

We invite you to participate at our
**2nd Proteomics Special Interest Group (MS-SIG)
at ISMB/ECCB 2013**

Beyond the Proteomics
on July 19, 2013, in Berlin, Germany.

At MS-SIG 2013 meeting, we will discuss the following topics:

1. Bioinformatics challenges in high-throughput proteomics
2. Omics data intergration
3. Proteomics application in biology and medicine

Confirmed Invited Speaker: Juergen Cox, Oliver Kohlbacher, Olga Vitek, Mikhail Savitski, and Lars Malmstrom

Posters: We invite abstract submissions on a wide range of topics about mass spectrometry data analysis and Omics data integration. The poster session will provide an opportunity to present your work in an informal setting.

Dates: July 19, 2013 (8:30am-6:30pm)

Location: Hilton Berlin, Berlin, Germany

1st abstract submission deadline: 03/15/13

2nd abstract submission deadline: 05/13/13
